#### Session 1: 09:00-10:40.

Chairpersons: Dr. Stephen O'Connor and Mr. Hossein Javadpour

09:00 Welcome

09:05 Challenging root anatomies: Valve Selection, Tips and Tricks

*Dr Darren Mylotte, Galway University Hospitals*

09:25 Transfemoral TAVI: how to manage vascular complications

*Dr. Antoinette Neylon, Galway University Hospitals*

09:45 New valve technologies on the horizon

*Mark Spence, Royal Victoria Hospital, Belfast*

### 10:30 Coffee

#### Session 2: 11:00-13:10

Chairpersons: Dr. Ivan Casserly and Mr Jim McCarthy

11:00 TAVI and thrombosis session

Guest Speaker: Title TBA

*Jean Philippe Collet*

Thromboembolic prevention after TAVI: antiplatelets or anticoagulants?

Advances in imaging bioprosthetic valve thrombosis

*Dr. Ross Murphy, St. James's Hospital, Dublin*

Periprocedural Stroke Prevention – efficacy of adjunctive devices

*Dr. Ronan Margey, Mater Private, Cork*

11:40 Management of Coronary artery disease in the setting of TAVI.

*Dr. Andrew Roy, Mater Private, Dublin*

11:50 *Live case in a box*

*Dr. Peter Crean, St. James's Hospital*

*Dr. Stephen O'Connor, St. James's Hospital*

12:30 Trends and Advancements in Aortic Valve Surgery

*Mr Jim McCarthy, Mater Hospital, Dublin*

12:50 Durability of surgical and transcatheter bioprosthetic valves in patients with severe aortic stenosis.

*Mr John Hinchion, Cork University Hospital, Cork*

## 13:10 Lunch

### Session 3: 14:00-16:10

**Chairpersons: Dr. Peter Kelly and Mr Michael Tolan**

14:00 TAVI in Ireland: an update on the national TAVI database

*Dr. Ivan Casserly, Mater Hospital, Dublin*

14:15 **Debate:** Cardiac surgeons should train to perform transfemoral TAVI.

*Pro: Ms Sarah Early, St. James's Hospital, Dublin.*

*Con: Dr. Martin Quinn, St. Vincents Hospital, Dublin*

14:45 **Abstract presentations – Surgical data and Cardiology data**

Abstract 1 TBA

Abstract 2 TBA

15:25 Interesting cases:

Case 1: *Dr Samer Arnous, University Hospital Limerick.*

Case 2: *Dr. Colum Owens, Royal Victoria Hospital, Belfast.*

Case 3: *Dr. David Burke, Beacon Hospital, Dublin.*

16:05 Best Abstract prize presentation and session close.
